Success Stories

Nikhil Goyal

SDE II @ Amazon

I enrolled for Data Structures and Algorithms course at Learnbay. Prateek Sir's teaching methodology has been really engaging. He entertains all the approaches in the class which helped us to see the problems from multiple angles.

Rahul Anand

Senior Software Developer @ techcarrot

Excellent training and awesome environment! I took data structures and algorithm training in LearnBay . They teach concepts clearly and solved as many programs as possible.
I was getting interview calls even before course completion.

Kamlesh Sahu

Associate Software Engineer @ PWC

This Course Helped me in getting 6 month SDE INTERNSHIP at AMAZON, India. The advance DSA topics are taught and explained in such a simplified manner that even a newbie can catch up very easily.

Ashutosh Chamoli

Senior Software Engineer II @ Motive

I have done the DS & Algo course from Learnbay. I learned from the basics time complexity, arrays, linked list, stack to advance data structures – trees, graphs etc. Getting into product based MNC was always my dream and this course helped me achieve it .

Vishrut Vats

Associate Software Engineer @ PWC

Before joining the DSA course I wasn't confident on any of the topics. I can see the change in my coding abilities after the completion of the course! I even got interview calls from several product based companies.

Amrita Panjwani

Working in Accion Labs

Learnbay provided me with one of the best learning experiences I've had. From smooth onboarding to even smoother career transition, I secured my dream job. Definitely recommend to anyone looking for the best upskilling experience in software development.

Success Stories

Anant Raj Singh
SDE II @ Amazon

Learnbay is the best place to add latest skill sets to your profile. There data structure and algorithm course is class apart, they provide very detailed core concepts and sample of practice over various platforms such as hacker rank.

Neha Gour
Software Engineer II @ AMD

Have taken DS course at this institute. Irrespective of implementation languages, one can join this. Cleared many tough concepts in an easy way. I was trying to switch to product based MNC and this course just made it possible.

Manish Jha
Software Engineer @ Geotab

I took DS course under Learnbay. Irrespective of implementation languages, one can join this. Their excellent training methodology helps to learn quickly. Their mock interviews with referrals to product based companies gave a good boost to my career

Shishir Kamal

I was looking forward to the placement assistance program and Learnbay delivered. From learning basics to advanced concepts to getting interview calls from top MNCs, Learnbay was the right choice for my software development journey.

Tushar Singhal
Working in Intuit

Learnbay's software development course surpassed my expectations. The comprehensive curriculum and experienced trainers provided a valuable learning experience. 1 on 1 doubt sessions helped me better understand all the concepts & I started receiving lucrative offers from top product-based companies even before the completion of the course

Arpit Agarwal
Senior Software Engineer @ Lenskart

I can proudly say that choosing learnbay for upskilling was definitely the best choice. Understanding even advance DSA was made easy with doubt sessions by expert trainers. Nearing the end of the course i was trained with mock interviews which helped me land my dream job.

Success Stories

Jatin Kumar Khilrani

Senior Lead Enigneer @ Qualcom

Good Experience, I did training in data structure and algorithms. Trainers are well knowledgeable and the questions they taught are the same which touches the interview pattern. They even help you get interview calls from product based MNCs.

Sagarika Jena

Working in @ Wells Fargo

Great experience in data structure training. The trainer has great understanding in all concepts to clear our doubts which gave the confidence to challenge any DS interview. And I was well prepared for the interview calls I got near the end of this course

Manav Jain

I attended ds algo course under Learnbay. They discussed multiple approaches to solve any problem starting from brute force to one with less complexity. Assignments, mock interviews and job referrals really helped me in my career.

Ritam Mukherjee

Was impressed in just first week of live sessions. Trainers are very knowledgeable and equip you with the right skills to switch from a service based to product based company. Working on real time projects really helped me gain valuable experience and crack many interviews.

Venkataraman R.

This is a unique place to get trained by experts even if you are already a software professional. Live online classroom sessions enable us to attend the sessions from anywhere in the world but live so we can talk to the trainer
